

**184322 to 184326. ASTRAGALUS spp. Fabaceae.**

From Nebraska and Wyoming. Seeds collected by L. C. Newell and L. S. Donovan, University of Nebraska Agronomy Department. Received Aug. 19, 1949.

Collected in 1949.

184322. *ASTRAGALUS DRUMMONDII* Dougl.

No. 49052. Near Lexington, Nebr.

184323. *ASTRAGALUS LOTIFLORUS* Hook.

No. 49014. Near Johnson Lake, Nebr.

184324. *ASTRAGALUS NEBRASKENSIS* Bates.

No. 49013. Near Johnson Lake, Nebr.

184325. *ASTRAGALUS SHORTIANUS* Nutt.

No. 49050. Cheyenne, Wyo.

184326. *ASTRAGALUS STRIATUS* Nutt.

No. 49051. Lexington, Nebr.

**184327. STROPHANTHUS HISPIDUS DC. Apocynaceae.**

From Liberia. Root collected by J. T. Baldwin, Jr., Agricultural Explorer, Bureau of Plant Industry, Soils, and Agricultural Engineering, Beltsville, Md. Received Aug. 26, 1949.

*Balleh.* Monrovia, Montserrado County.

**184328. DYERA LAXIFLORA Hook. f. Apocynaceae.**

From Malaya. Seeds obtained from Singapore by Dr. Llewellyn Williams, Chicago Natural History Museum, Chicago, Ill. Received Aug. 26, 1949.

**184329 to 184332.**

From Portugal. Plant material collected by J. T. Baldwin, Jr., Agricultural Explorer, Bureau of Plant Industry, Soils, and Agricultural Engineering, Beltsville, Md. Received Aug. 26, 1949.

184329. *AMARYLLIS* sp. Amaryllidaceae.

Lisbon. Bulbs.

184330. *CRINUM PEDUNCULATUM* R. Br. Amaryllidaceae.

Originally from Australia. (Seeds.)

184331. *SEDUM* sp. Crassulaceae.

Lisbon. Roots.

184332. (Undetermined.)

Lisbon. Roots.

**184333. COIX LACRYMA-JOBI var. MA-YUEN (Romanet) Stapf. Poaceae. Adlay.**

From Brazil. Seeds presented by the American Consulate General, São Paulo. Received Aug. 15, 1949.

**184334. DACTYLIS GLOMERATA L. Poaceae. Orchard grass.**

From Wales. Seeds presented by the Welsh Plant Breeding Station, Aberystwyth. Received Aug. 29, 1949.

**184335 to 184338. STROPHANTHUS spp. Apocynaceae.**

From Liberia. Cuttings collected by J. T. Baldwin, Jr., Agricultural Explorer, Bureau of Plant Industry, Soils, and Agricultural Engineering, Beltsville, Md. Received Aug. 30, 1949.

184335. *STROPHANTHUS HISPIDUS* DC.

No. 2. Monrovia.
