

## 324940 to 325078—Continued

## 324972 and 324973—Continued

324972. Col. No. 1477. On path to top of Tsu-shan as a liana. Elevation 2,400 m. Evergreen vine with spined fruits enclosing a bright red aril.

324973. Col. No. 1558. Below Lishan in mixed conifer, oak forest. Elevation 2,400 m. Scrambling vine, probably evergreen; fruit green with red aril.

324974. *EUONYMUS PALLIDIFOLIA* Hayata

Col. No. 1498. On path to Mt. Morrison, among rocks. Elevation 3,100 m. Upright shrub, evergreen; capsule lovely pink, opening flat, giving whole plant appearance of flowering.

324975. *EURYA CRENATIFOLIA* (Yamamoto) Kobuski Theaceae.

Col. No. 1462. Along roadside, below Lishan, in broadleaved evergreen forest. Elevation 2,200 m. Evergreen, small leaved species, characterized by more than 5 stamens; fruit small, purple black.

324976. *EURYA GLABERRIMA* Hayata

Col. No. 1511. In sunny places along trail from Mt. Morrison. Elevation 3,300 m.

324977. *GARDENIA AUGUSTA* (L.) Merrill Rubiaceae.

Col. No. 1589. Lin-hua-chi, along logging road in evergreen forest. Elevation 1,000 m. Evergreen shrub, leaves entire, opposite; fruit ellipsoid cupped by persistent calyx tube. Possible value as rootstock.

324978 and 324979. *GAULTHERIA BORNEENSIS* Stapf Ericaceae.

324978. Col. 1488. On Rulin-shan in covered moist areas, Morrison Range. Elevation 2,500 m.

324979. Col. No. 1510. Shady places, on trail to Mt. Morrison. Elevation 3,300 m.

324980. *GAULTHERIA CUMINGIANA* Vidal.

Col. No. 1470. On Tsu-shan, growing as subshrub along path. Elevation 2,300 m.

324981. *GLYCOSMIS PENTAPHYLHA* (Retz.) Correa Rutaceae.

Col. No. 1527. Along path near river at Kanko. Elevation 300 m. Shrub, small; flowers white.

324982. *GORDONIA AXILLARIS* (Roxb.) Dietrich. Theaceae.

Col. No. 1575. Evergreen forest along road between Lishan and Hohuan. Elevation 2,100 m. highest elevation for this species. Evergreen tree, in full bloom; flowers large, white.

324983. *HELICIA FORMOSANA* Hemsl. Proteaceae.

Col. No. 1531. Sunny places, near river bank at Kanko. Evergreen tree, small; flowers in long axillary racemes. Potential small shade for southern localities.

324984. *HYDRANGEA CHINENSIS* Maxim. Saxifragaceae.

Col. No. 1539. Among azaleas on cliff above road at Wushi. Evergreen shrub.

324985. *HYDRANGEA INTEGRIFOLIA* Hayata ex Matsum. & Hayata

Col. No. 1568. Above Lishan, climbing on oaks, rare. Elevation 2,600 m. Evergreen vine; leaves large, entire.

314986. *HYPERICUM* sp. Guttiferae.

Col. No. 1464. Growing around buildings on Mt. Alishan. Elevation 2,300 m. Flowers large, yellow.
