

451784 TO 451819-continued

451806. H-35. Collected October 30, 1978. Woodland, Washington. Collected by D.W.C. Hough. Bush bean, 38 to 46cm tall. Pods 6-10 per horizontal stem. Seeds red, 4-6 per pod. Local name Grandma's red beans. Cultivated. Seed.
451807. H-38. Great Northern Nebraska #1, Sel. 27. Collected 1975. Nebraska. Collected by D.P. Coyne. Plants late-maturing, very photoperiod sensitive. Seeds white. Common blight tolerant. Cultivated. Seed.
451808. H-39. Great Northern Nebraska #1. Collected 1974. Nebraska. Collected by R.B. O'Keefe. Plants early-maturing. Seeds white. Some common blight tolerance. Cultivated. Seed.
451809. H-40. Great Northern Emerson. Collected 1974. Nebraska. Collected by D.P. Coyne. Plants early-maturing. Seeds white. High tolerance to orange, yellow and purple bacterial blight, moderately high tolerance to common blight. Local name G.N. Emerson. Cultivated. Seed.
451810. H-41. Great Northern Jules. Collected 1974. Nebraska. Collected by D.P. Coyne. Plants moderately late-maturing. Seeds white. Common blight tolerant. Cultivated. Seed.
451811. H-42. Great Northern Valley. Collected 1975. Nebraska. Collected by D.P. Coyne. Plants early-maturing. Seeds white. Common blight tolerant. Cultivated. Seed.
451812. H-43. Great Northern Star. Collected 1975. Nebraska. Collected by D.P. Coyne. Plants early-maturing. Seeds white. Common blight and bacterial blight tolerant. Cultivated. Seed.
451813. H-44. Great Northern Tara. Collected 1974. Nebraska. Collected by D.P. Coyne. Plants moderately late-maturing. Seeds white. Common blight tolerant. Cultivated. Seed.
451814. H-45. Selection from six backcrosses to Great Northern Nebraska #1. Collected 1975. Nebraska. Bred by D.P. Coyne. Plants determinate. Seeds white. Cultivated. Seed.
451815. H-46. Great Northern Nebraska #1, Sel. 27. Collected 1975. Nebraska. Collected by D.P. Coyne. Plants vigorous, short day type, late maturing under long days. Seeds white. Tolerant to common blight, Halo-blight (races 1 and 2, and Nebraska isolates). Cultivated. Seed.
451816. H-47. Great Northern Nebraska #1. Collected 1975. Nebraska. From R.B. O'Keefe, donated by D.P. Coyne. Plants indeterminate. Seeds white. Cultivated. Seed.
