

Readers are requested to insert on p. 1079, after "red" at the beginning of the 12th line, the following lines which give the remainder of that description and the beginning of the next one: "This shrub, which is a native of central China, is most beautiful in the fall, for the dark green foliage and the black fruits last until November. (Adapted from Rehder, in Bailey, Standard Cyclopedia of Horticulture, p. 1910.)

*Malus arnoldiana* Rehder. (Malaceae.) 43700. Plants of a hybrid **apple** from Jamaica Plain, Mass. Presented by the Arnold Arboretum and selected by Mr. H. C. Skeels and Dr. W. Van Fleet, of this Department."
