

Diospyros kaki. Persimmon.

S&P.I. No. 37648.

"One of the best varieties of dried persimmons to be had in China called "Ho erh sze ping," meaning "Pared dried persimmons," coming from near Fuping, Shensi. These fruits taste better than figs to most people." Photo by F. N. Meyer, Peking, China, April 21, 1914.
