

315653 to 315750—Continued

315702. *HYPERICUM BUCKLEYI* M. A. Curtis Guttiferae.

BN-8551-59. Softwood cuttings obtained from Arnold Arboretum, Jamaica Plain, Mass., 1956. Seed produced at National Plant Materials Center.

315703. *HYPERICUM* sp.

BN-11878-61. Plants obtained from Soil Conservation Service, Raleigh, N.C. Seed produced at National Plant Materials Center.

315704 and 315705. *LATHYRUS JAPONICUS* Willd. Leguminosae.

315704. BN-4320-46. Oregon.

315705. BN-8560-56. Soil Conservation Service, Birch Point, near Prospect Harbor, Hancock County, Maine. Growing on gravel dune in association with *Elymus mollis* near normal high water. Nodulated, rhizomatous.

315706. *LATHYRUS LATIFOLIUS* L.

Perennial peavine.

BN-6041-49. Boulder, Colorado through Soil Conservation Service, Albuquerque, N. Mex. From plants with inconspicuous bloom, but strong vegetative growth.

315707. *LATHYRUS LATIFOLIUS* var. *SPLENDENS* Grön. & Rpl.

BN-6038-49. Boulder, Colo. From heavy-flowering plants.

315708 to 315710. *LATHYRUS POLYMORPHUS* ssp. *INCANUS* (Smith & Rydb.) C. L. Hitchc.

315708. BN-5938-48. Soil Conservation Service Nursery, Albuquerque, N. Mex.

315709. BN-6025-49. Highway 10, Albuquerque, N. Mex. Elevation 6,000 feet.

315710. BN-4555-46. Nebraska National Forest Sand Hill, Halsey, Nebr.

315711 to 315714. *LATHYRUS TUBEROSUS* L.

315711. BN-4926-49. Wyoming, through Plant Materials Center, Manhattan, Kans. Selection made at Two Rivers Nursery, 1942. Seed reproduced in Kansas.

315712. BN-8472-53. Siberia, through Mandan, N. Dak. Seed reproduced by Soil Conservation Service, Albuquerque N. Mex.

315713. BN-8851-51. Plant Materials Center, Manhattan, Kans. Seed reproduced by Soil Conservation Service, Manhattan, Kans., 1951.

315714. BN-9040-57. Waterloo, Neb., through Soil Conservation Service, Elsberry, Mo.; seed reproduced in Missouri.

315715. *LATHYRUS VENOSUS* var. *MERIDIONALIS* Butter & St. John.

BN-11059-64. Dover, Tenn. Seed reproduced at National Plant Materials Center.

315716. *MEDICAGO HEMICYCLA* Grossh. Leguminosae.

BN-8954-59. Transcaucasia. Obtained from University of Alberta, Canada. Seed reproduced at National Plant Materials Center.

315717. *MELILOTUS NEAPOLITANA* Ten. Leguminosae.

BN-7933-53. Horto Botanica, Madrid, Spain. Reproduced at National Plant Materials Center.

315718. *MELILOTUS SUAVEOLENS* Ledeb.

BN-8062-59. Horto Botanica, Madrid, Spain. Seed reproduced at National Plant Materials Center.
