

365477. HIBISCUS SABDARIFFA L. Malvaceae. Roselle.

From Thailand. Seed presented by Department of Agriculture, Kalasin through University of Kentucky—Agency for International Development Team, Bangkok. Received July 7, 1971.
'Kalasin Green Stem'.

365478 to 365494. COFFEA ARABICA L. Rubiaceae. Coffee.

From Portugal. Cuttings rooted at Centro de Investigacao das Ferrugens do Cafeeiro, Estacao Agronomica Nacional, Oeiras. Received August 11, 1971.

365478. CIFIC 1843/915. Hibrido de Timor.

365479. CIFIC 1844/19. S. 795.

365480. CIFIC 1844/23. S. 795.

365481. CIFIC H. 15. $32/1 \times 832/2/2$.

365482. CIFIC H. 17. $34/13 \times 832/2$.

365483. CIFIC H. 51. $108/6 \times 110/5/4$.

365484. CIFIC H. 59. $110/5 \times 87/1/3$.

365485. CIFIC H. 79. $110/5 \times 33/1/8$.

365486. CIFIC H. 172. $128/2 \times 110/5/18$.

365487. CIFIC H. 244. $33/1 \times 87/1/9$.

365488. CIFIC H. 245. $32/1 \times 128/2/7$.

365489. CIFIC H. 262. $87/1 \times 32/1/13$.

365490. CIFIC HW. 3. $187/8 \times 34/13/5$.

365491. CIFIC HW. 19. $77/5 \times 134/4-2/8$.

365492. CIFIC HW. 26. $19 \times 832/1/11$.

365493. CIFIC HW. 27. $19 \times 87/6/52$.

365494. CIFIC HW. 35. $339/ \times 33/1/2$.

365495 to 365517.

From South Africa. Plant material collected by A. J. Oakes, Plant Science Research Division, Plant Industry Station, Beltsville, Maryland. Received June 15, 1971.

365495. ARISTIDA RHINIOCHLOA Hochst. Gramineae.

1444. Tufted annual, plants to 0.2 m. high. Flat terrain, red clay soil, 23 km. southeast of Camp Shingwidzi, Kruger National Park. Seed.

365496. BOTHRIOCHLOA GLABRA (Roxb.) A. Camus Gramineae.

1498. Tufted perennial, foliage nearly glabrous. Island in Levubu River, Punda Milia, Kruger National Park. Plants.

365497. BRACHYLAENA sp. Compositae.

1261. Shrub. Plants growing in woods on sand near beach. Plants tolerate salt spray and wind. May be used as hedge and kept trimmed to size. Good sand binding plant on stable dunes. I. Garland farm, Mtunizi, Natal. Cuttings.

365498. CHLOROPHYTUM sp. Liliaceae.

1635. Ornamental, variegated leaves. Cultivated. Numbi Hotel, Hazyview, Busbok Ridge, Transvaal. Plants.

365499. CYNODON DACTYLON (L.) Pers. Gramineae. Bermudagrass.

1486. Stoloniferous perennial. Sandy soil, picnic ground on Levubu River, Punda Milia, Kruger National Park. Stolons.
