

383841. LUPINUS ANGUSTIFOLIUS L. Leguminosae.**Bitter blue lupine.**

From Australia. Seed presented by J. S. Gladstones, Department of Agriculture, South Perth, Western Australia. Received December 3, 1973.

('Uniharvest' x 'Rancher') x 'Unicrop'. F₂ generation seed.

Potential resistance to gray leaf spot and anthracnose.

383842 to 383848.

From Australia. Seed presented by H. G. Kershaw, Mona Vale, New South Wales 2103. Received December 4, 1973.

383842. BANKSIA ASHBYI E. G. Baker Proteaceae.

383843. BANKSIA BAXTERI R. Br.

383844. BANKSIA GRANDIS Willd.

383845. BANKSIA OCCIDENTALIS R. Br.

383846. BANKSIA PRIONOTES Lindl.

383847. BANKSIA SPECIOSA R. Br.

383848. BANKSIA VICTORIAE Meissn.

383849. AGROPYRON FIBROSUM (Schrenk) Nevski Gramineae.

From France. Seed presented by Botanique Service, Institut National de la Recherche Agronomique, Versailles. Received January 11, 1974.

No. 1229. From 1970-71 Index Seminum.

383850 to 383853.

From France. Seed presented by Director, Universite de Montpellier, Montpellier. Received November 6, 1973.

383850. ASPARAGUS ACUTIFOLIUS L. Liliaceae.

383851. ASPARAGUS MARITIMUS Mill.

383852. ASPARAGUS OFFICINALIS L.

Garden asparagus.

383853. ASPARAGUS PLUMOSUS Baker

Fern asparagus.

383854 and 383855. HORDEUM VULGARE L. Gramineae.**Barley.**

From India. Seed presented by J. S. Bakshi, All-India Barley Project Manager, Indian Agricultural Research Institute, New Delhi. Received August 15, 1973.

383854. DL-69. Semidwarf. Evolved from BG1 x Mexican (5-13).

383855. DL-70. Semidwarf. Evolved from BG1 x Mexican (5-13).

383856. SORGHUM BICOLOR (L.) Moench Gramineae.**Sorghum.**

From Brazil. Seed presented by Carlos Rossetto, Department of Entomology, Institute of Agronomy, Campinas. Received November 6, 1973.

'AF-28'. Resistant to sorghum midge. Seeds small for species.

383857. ALOPECURUS PRATENSIS L. Gramineae.**Meadow foxtail.**

From Poland. Seed presented by Nagraadowice Plant Breeding Station, Tulce, Sroda Wlkp. Province, Poznan. Received November 28, 1973.

'Dan'.
