

400273 to 400277—Continued

400276. 519. Estacion Experimental-Del Este, Treinta-y-Tres.
Wild.

400277. 520. Estacion Experimental-Del Este, Treinta-y-Tres.
Wild.

400278 to 400288. ORYZA SATIVA L. Gramineae. Rice.

From Brazil. Seed collected February 1975 by W. R. Langford, Regional Plant Introduction Station, Experiment, Georgia, and B. L. Burson, Department of Agronomy, Mississippi State University, State College, Mississippi. Received May 6, 1975.

400278. 597. Departamento de Fitotecnica, Universidad Federal de Pelotas, Pelotas. Seed striped. Cultivated.

400279. 598. EEA-406. Departamento de Fitotecnica, Universidad Federal de Pelotas, Pelotas. Released by Estacao Experimental Do Arroz, Rio Grande do Sul. Cultivated.

400280. 599. CIC A-4. Departamento de Fitotecnica, Universidad de Pelotas, Pelotas. Originally from Centro International de Agricultura Tropical, Cali, Colombia. Cultivated.

400281. 600. EEA-201. Departamento de Fitotecnica, Universidad Federal de Pelotas, Pelotas. Cultivated.

400282. 601. 'Formosa'. Departamento de Fitotecnica, Universidad Federal de Pelotas, Pelotas. Cultivated.

400283. 602. EEA-405. Departamento de Fitotecnica, Universidad Federal de Pelotas, Pelotas. Cultivated.

400284. 603. 'Bluebelle'. Departamento de Fitotecnica, Universidad Federal de Pelotas, Pelotas. Cultivated.

400285. 604. IRGA-407. Departamento de Fitotecnica, Universidad Federal de Pelotas, Pelotas. Cultivated.

400286. 605. 'Mamoriaka'. Departamento de Fitotecnica, Universidad Federal de Pelotas, Pelotas. Cultivated.

400287. 606. 'IR-8'. Departamento de Fitotecnica, Universidad Federal de Pelotas, Pelotas. Cultivated.

400288. 607. 'Caloro'. Departamento de Fitotecnica, Universidad Federal de Pelotas, Pelotas. Cultivated.

400289 and 400290. PAPAVER SOMNIFERUM L. Papaveraceae.**Opium poppy.**

From Hungary. Seed presented through United Nations Division of Narcotic Drugs, Scientific and Technical Section, Geneva, Switzerland. Received May 19, 1975.

400289. 'BC-2'. Commercial fields. 1974.

400290. 'Kompolti-M'. Commercial fields. 1974.

400291. PAPAVER SOMNIFERUM L. Papaveraceae. Opium poppy.

From Spain. Seed presented through United Nations Division of Narcotic Drugs, Scientific and Technical Section, Geneva, Switzerland. Received May 19, 1975.

'UNS-13'. Spontaneous variety with ripe capsules containing up to 2.0 percent of morphine.
